## Trentham District Primary School 1588 Newsletter 6 May 7th , 2021

*Guiding and inspiring young people to make sense of their world and to succeed in life.*

### **From the Principal...**

#### **School Safety**

Thank you so much for crossing at the school crossing. It has been so great to see the students walking with their parents and carers and crossing correctly. Please remember to observe speed limits within the school zone (40km/h).

#### **Enrolments**

Enrolments for 2022 are now open for all year levels! Please contact the office for an enrolment pack if you want to come and join our amazing school! School tours are available upon request, please call or email the school to make a suitable time. Keep an eye out for our upcoming Prep activities throughout the year.

#### **Spudfest**

Thank you to everyone who came to support our face painting stall at Spudfest 2021. We raised a final profit of \$412, which will be put towards the students' sustainability efforts. Many thanks to Kylie, Kat, Llael and Megan for their efforts on the day.

#### **Cross-Country**

Well done to all our Cross-Country participants who represented us at the Goldfields-

Sandhurst event. There was much team work and esprit de corps modelled by the students. Congratulations to Will for winning his section!!

#### **Book Fair**

The Book Fair has been a huge success with students purchasing a total of \$2321 worth of new books. As a result, the school will receive \$820 worth of new texts to use across the classrooms. Thank you to Mrs Pama for organising this and to families for participating.

#### **Mothers' Day Stall**

Wishing all the mothers out there a wonderful day on Sunday. Thanks to Megan for co-ordinating the stall and to all her helpers!

#### **NAPLAN**

Next week our Year 3 & Year 5 students will take part in NAPLAN tests. They will begin on Tuesday. I wish them all the best and remind them all to try their hardest.

***Have a wonderful weekend!***
